Jaycina is a multi-faceted powerhouse – she is a model who has appeared in publications like Allure and Elle and she's collaborated with brands on social media partnerships since 2018. She is the Founder of The Tender Foundation, where they are building a safety net for single mamas living on the margins here in Atlanta so that they can invest in what they need.

However, Jaycina's favorite title is "mama" to her 8-year-old little girl. In her free (albeit limited!) time, Jaycina can be found practicing ceramics, scrolling Substack, or reading a book on her back porch. Clothes, design, art, traditional handicrafts, and theory across all disciplines excite her – her hunger for learning is insatiable.
